Schmoove™

Nutrition for the Skin

Suggested Treatment Protocols

For best results use on or near affected area three times daily for 90 days and reevaluate.

ACM/CCM/TCM Global Status

Safe & Effective

Formula Years in Service

22+ Years

Sizes

2 oz and 8 oz

Delivery Method

Cream & Gel

Schmoove™ alleviates and eliminates all types of skin conditions. Clinically it has been successful in treating skin irritation, break-outs, burns, dryness, skin damage, rashes, and insect bites to name a few. It was first formulated to treat burns for oncology patients who were undergoing radiation and chemotherapy but like many of our formulas, we found it to be useful many other ways.

Main Actions

- ✓ Disperses Summer Heat
- ✓ Eliminates Wind
- ✓ Dries Dampness
- ✓ Nourish Yin Fluid
- ✓ Clears Heat
- ✓ Clears Damp Heat
- ✓ Promote Qi Circulation
